

Mask Guidance

- Indoors:
 - Everyone is asked to wear a mask, with the following exceptions:
 - Masks will be off while eating or while using inflatables (if inside due to weather)
 - Children will eat unmasked in their small groups and will be in closer proximity to one another at this time—we cannot ensure 6 feet of separation
- Outdoors:
 - Masks are not required outside, due to heat and high intensity activities
 - Volunteers will be sensitive to wear their masks if a situation brings them in close proximity to another volunteer or child, for an extended period of time.
- Volunteer Temperature Checks
 - Volunteers will be temperature checked and complete a COVID screening upon arrival and sign in each day.
- Notes:
 - If a parent/guardian desires their own child to wear a mask outdoors, we will do our best to accommodate the request. Due to safety concerns, we will not be able to accommodate these requests during water activities.
 - Your family's registration fees can be refunded for the following reasons:
 - Your children attending have been diagnosed or exposed to COVID-19 in the days prior or during KidsGIG
 - Your family's situation and/or comfort level has changed since registering
 - These guidelines are subject to change in relation to COVID trend issues and CDC guidance. If any changes are made, we will email all registered families.

Parents/Guardians with questions about this guidance need to contact their campus Kids Director or kidsgig@northway.org.
