LIFE ON MISSION

God invites us all to join his mission to reach every person in every place in our world.

Major shifting in the world

- Urbanization
- Christianity declining in US

Several options to respond to the present world

- We can try to escape from this world
- We can try to conform to this world
- We can become zealots

God invites us to orient our lives in God's Story.

Our goal is to join the work of the Holy Spirit when and where we are invited to join, and to point people toward Jesus Christ through our words and actions.

“As you sent me into the world, so I have sent them into the world.”

John 17:18

“If your personal faith in Christ has no positive outward expression, then your faith and mine has a hole in it.”

Richard Stearns
